The Legislature.

At a joint session of the General Assem-
bly, Tuesday, Miss Pauline Helm Hardin
was elected State Librarian and George V.
Greene Prison Commissioner. The Lou-
isville Bond Recorder Bill was killed in
the House. The Senate passed the House
Bill repealing the special tax on tobacco
manufactured in the State. A resolution
was adopted in the Senate providing for a
committee to investigate the expenditures
of the Agricultural Department relating to
printing of reports of 1902-3.

Gov. Beckham stated before the House
Bribery Investigating Committee that he
knew nothing of the alleged charges of
bribery against Legislators, as published
in a Louisville paper. He gave names of
persons who had told him of reports cir-
culated about bribery charges in the last
session of the Legislature. This will re-
sult in the remainder of the present ses-
sion being devoted mainly to these inves-
tigations.

After considerable filibustering the
House, Wednesday, by a vote of 54 to 17,
passed the bill making a new judicial dis-
trict of Magoffin, Floyd and Knott counties.
This takes Magoffin out of the Breathitt
district. The Senate passed the House
bill making the Circuit Clerk the Chair-
man of the election Board in Fayette,
Kenton and Campbell counties for the
purpose of removing Sheriff McInerney,
of Covington.

Nothing of importance was developed
before the Legislative Bribery Invest-
igation Committee on Wednesday night.
Two witnesses testified before the Print-
ing Investigating Committee that the
\$28,000 contract of the Globe Printing
Company could have been done for a sum
not exceeding \$3,600. This investigation
will be continued in Louisville.

Hon. Al. Thompson, on Wednesday,
offered the Trimble Pure Seed Bill in the
House, it having been reported favorable
by his committee. The bill has passed
the Senate and Mr. Thompson says it will
undoubtedly pass the House.
